

USDA 2007 FARM BILL FORUM in NEBRASKA

Sept. 15, 2005

Please respond to the following six questions. Space permits (below or reverse side) to respond, or add your own comments about other 2007 farm bill suggestions.

- 1) How should farm policy address any unintended consequences and ensure that such consequences do not discourage new farmers/ranchers and the next generation of farmers/ranchers from entering production agriculture?
- 2) How should farm policy be designed to maximize U.S. competitiveness and our country's ability to effectively compete in global markets?
- 3) How should farm policy be designed to effectively and fairly distribute assistance to producers?
- 4) How can farm policy best achieve conservation and environmental goals?
- 5) How can Federal rural and farm programs provide effective assistance in rural areas?
- 6) How should agricultural product development, marketing and research-related issues be addressed in the next farm bill?

Gov. + Mr. Secretary, Thank you for your time
